THE CHRISTIAN EDUCATION DIPLOMA PROGRAMME

INTRODUCTION:

The Presbyterian University of East Africa wishes to announce the launch of Christian Education Diploma Programme under the Christian Education Department to be hosted in a brand new building- **The Christian Education and Resource Center (CERC-PUEA).**

THE OBJECTIVE OF THE PROGRAMME:

The main objective for the Christian Education Programme is to equip the church ministers especially the lay people for effective ministry. As one scholar, Peter Larom has put it, quoting a Bishop from Uganda, "*the Church has had preaching; now it needs teaching.*"

NAME OF THE PROGRAMME

The Programme is called, **Diploma in Christian Education.**

This programme will be launched in May trimester 2017.

GOALS:

The goals of the Christian Education program will be:

- i) To impact on students in knowledge and skills in theology, education, and social science so that they are able to teach in various ministries in the church
- ii) To provide students with Christian ethical leadership skills
- iii) To help the students be able to design, implement and direct educational programs in the church and society
